

(3) Recording fee for an assignment of an international registration under § 7.23.

(b) The fees in paragraph (a) of this section may be paid as follows:

(1)(i) Directly to the International Bureau by debit to a current account with the International Bureau. In this case, an applicant or holder's submission to the Office must include the International Bureau account number; or

(ii) Directly to the International Bureau using any other acceptable method of payment. In this case, an applicant or holder's submission to the Office must include the International Bureau receipt number for payment of the fees; or

(2) Through the Office. Fees paid through the Office must be paid in U.S. dollars at the time of submission. See § 2.207 of this chapter for acceptable forms of payment and § 2.208 of this chapter for payments using a deposit account established in the Office.

(c) All fees for paper filings must be paid directly to the International Bureau.

(d) The International Bureau fee calculator may be viewed on the Web site of the World Intellectual Property Organization, currently available at: <http://www.wipo.int/madrid/en/>.

Subpart B—International Application Originating From the United States

§ 7.11 Requirements for international application originating from the United States.

(a) The Office will grant a date of receipt to an international application that is either filed through TEAS, or typed on the official paper form issued by the International Bureau. The international application must include all of the following:

(1) The filing date and serial number of the basic application and/or the registration date and registration number of the basic registration;

(2) The name and entity of the international applicant that is identical to the name and entity of the applicant or registrant in the basic application or

basic registration, and the applicant's current address;

(3) A reproduction of the mark that is the same as the mark in the basic application and/or registration and that meets the requirements of § 2.52 of this title.

(i) If the mark in the basic application and/or registration is depicted in black and white and the basic application or registration does not include a color claim, the reproduction of the mark in the international application must be black and white.

(ii) If the mark in the basic application or registration is depicted in black and white and includes a color claim, the international application must include both a black and white reproduction of the mark and a color reproduction of the mark.

(iii) If the mark in the basic application and/or registration is depicted in color, the reproduction of the mark in the international application must be in color.

(iv) If the international application is filed on paper, the mark must be no more than 3.15 inches (8 cm) high by 3.15 inches (8 cm) wide, and must appear in the box designated by the International Bureau on the International Bureau's official form;

(4) A color claim as set out in § 7.12, if appropriate;

(5) A description of the mark that is the same as the description of the mark in the basic application or registration, as appropriate;

(6) An indication of the type of mark if the mark in the basic application and/or registration is a three-dimensional mark, a sound mark, a collective mark or a certification mark;

(7) A list of the goods and/or services that is identical to or narrower than the list of goods and/or services in each claimed basic application or registration and classified according to the *Nice Agreement Concerning the International Classification of Goods and Services for the Purposes of the Registration of Marks*;

(8) A list of the designated Contracting Parties. If the goods and/or services in the international application are not the same for each designated Contracting Party, the application must list the goods and/or services

in the international application that pertain to each designated Contracting Party;

(9) The certification fee required by § 7.6;

(10) If the application is filed through TEAS, the international application fees for all classes, and the fees for all designated Contracting Parties identified in the international application (see § 7.7);

(11) A statement that the applicant is entitled to file an international application in the Office, specifying that applicant: is a national of the United States; has a domicile in the United States; or has a real and effective industrial or commercial establishment in the United States. Where an applicant's address is not in the United States, the applicant must provide the address of its U.S. domicile or establishment; and

(12) If the international application is filed through TEAS, an e-mail address for receipt of correspondence from the Office.

(b) For requirements for certification, see § 7.13.

[68 FR 55769, Sept. 26, 2003, as amended at 69 FR 57185, Sept. 24, 2004; 73 FR 67775, Nov. 17, 2008]

§ 7.12 Claim of color.

(a) If color is claimed as a feature of the mark in the basic application and/or registration, the international application must include a statement that color is claimed as a feature of the mark and set forth the same name(s) of the color(s) claimed in the basic application and/or registration.

(b) If color is not claimed as a feature of the mark in the basic application and/or registration, color may not be claimed as a feature of the mark in the international application.

§ 7.13 Certification of international application.

(a) When an international application contains all the elements set forth in § 7.11(a), the Office will certify to the International Bureau that the information contained in the international application corresponds to the information contained in the basic application(s) and/or basic registration(s) at the time of certification, and will then

forward the international application to the International Bureau.

(b) When an international application does not meet the requirements of § 7.11(a), the Office will not certify or forward the international application. If the international applicant paid the international application fees (see § 7.7) through the Office, the Office will refund the international fees. The Office will not refund the certification fee.

§ 7.14 Correcting irregularities in international application.

(a) *Response period.* Upon receipt of a notice of irregularities in an international application from the International Bureau, the applicant must respond to the International Bureau within the period set forth in the notice.

(b) *Classification and Identification of Goods and Services.* Responses to International Bureau notices of irregularities in the classification or identification of goods or services in an international application must be submitted through the Office for forwarding to the International Bureau. The Office will review an applicant's response to a notice of irregularities in the identification of goods or services to ensure that the response does not identify goods or services that are broader than the scope of the goods or services in the basic application or registration.

(c) *Fees.* If the International Bureau notice of irregularities requires the payment of fees, the fees for correcting irregularities in the international application must be paid directly to the International Bureau.

(d) *Other Irregularities Requiring Response from Applicant.* Except for responses to irregularities mentioned in paragraph (b) of this section and payment of fees for correcting irregularities mentioned in paragraph (c) of this section, all other responses may be submitted through the Office in accordance with § 7.14(e), or filed directly at the International Bureau. The Office will forward timely responses to the International Bureau, but will not review the responses or respond to any irregularities on behalf of the international applicant.
